NEW Residential Building Inspector "B1" Certificate Home Study Course

We are pleased to announce the release of our newly updated **2012 and 2015 B1 Exam Prep Manuals**. These publications are designed to help students pass the 2012 and 2015 B1 Residential Building Inspector Certification Exam administered nationwide by the International Code Council (ICC®).

Why you should offer the B1 Exam Prep Course:

- California is now adopting the International Residential Code (IRC®) as the California Residential Code (CRC).
- The 2012 IRC® was adopted as the 2013 California Residential Code.
- The 2015 IRC® has been adopted as the 2016 California Residential Code.
- Most building departments in California are looking for building inspectors with the 2015 B1 Residential Inspector Certification.
- Anyone 18 and older qualifies to take the B1 Certification Exam.
- No work experience is required.
