New Law and Business Spanish Supplement!

We are proud to announce the release of our NEW Law and Business Spanish Supplement. This is an entirely NEW publication and is designed to help students whose primary language is Spanish study for the Law and Business Exam.

The Law and Business Spanish Supplement is a summary of the most important information in the Law and Business Manual presented in Spanish. Students must still study the English-version Law and Business Manual, Practice Tests and Update in addition to reading the Spanish Supplement.

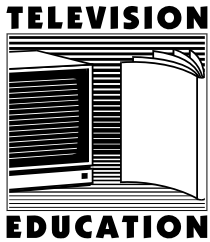

Included in the Law and Business Spanish Supplement are:

- ◆ Summaries of the most important topics covered in Chapters 1-4 of the Law and Business Manual presented in Spanish.
- ◆ A selection of the most complicated practice questions translated to Spanish with detailed explanations of the answers.
- ◆ A glossary of legal terms that students need to know explained in Spanish.

Please be sure that your sales staff understands that the Spanish Supplement is essentially a Spanish language study aid. It is not a stand-alone course and does not cover all of the information or include all of the Practice Test and Update questions that are presented in our regular Law and Business course.

We have enclosed one complimentary desk copy for you to review.

The Law and Business Spanish Supplement is available for purchase at the current manual price. Please review the enclosed price list for more information.
